

# CAA Term Life Monthly Rates

Premiums per \$50,000 increment of coverage.

Choose coverage from \$50,000 up to \$1,000,000, in increments of \$50,000.

Find your corresponding rate below, and multiply it by the number of \$50,000 units desired to determine your premiums.

For example, a 40-year-old male non-smoker who wants \$150,000 in 20-Year Term coverage will have a monthly premium of \$31.53 (\$10.51 x 3 units). Apply a 25% discount if you buy coverage of \$250,000 and over and 30% on amounts of \$500,000 and over.
